

## **Milestone Owners Association** **2021 Non-Resident Family Pool Membership**

Dear Prospective Pool Member,

We are excited to once again offer summer pool memberships to our non-Milestone-resident friends. The membership fee for 2021 will be **\$400.00** per family. Due to Covid we are waiving the \$50 initiation fee per family.

This year all registration will be handled on-line at: [milestone.membersplash.com/](http://milestone.membersplash.com/) **starting on March 15th**. If you are interested in being a member of our pool, please go on-line and start the registration process. *Instructions are included with this letter.* Before you begin, please be sure to have a photo of each individual family member available to upload to the site. Payment can now be handled on-line by credit card or you can still pay by check, whichever you choose. Note that there is a 2.9% fee and \$0.30 transaction fee for paying by credit card that will be added to your final amount due should you choose to pay by credit card on-line. If you wish to pay by check, please complete the on-line process and then mail your registration confirmation and check made payable to Milestone to the address below. You can also drop off the check during office hours or leave it in the secure drop-box located next to the main door of the clubhouse. Please note that all checks must be received in the office by 1pm on May 22nd in order to attend the pool opening weekend. Payment/registration will not be accepted/handled at the gate.

**We will no longer use physical passes with our new check-in process. Attendance will be logged at the gate by our lifeguards and your family's membership will be verified by the photos you supply on-line during registration.** Your complimentary family guest passes (for **10** usages) will also be added to your family's account and accounted for by the new on-line system. Additional passes can be purchased on-line by credit card (again – there is a fee for this service, please see above) or will be available for purchase by check through the site office during office hours. Additional guest passes will NOT be available to purchase at the gate.

Space will be open for swimmers who don't live in Milestone but still want to experience the fun and challenge of summer swim league. Younger swimmers need to be able to swim the length of the pool. If you're interested in swimming for the Makos, send an email with your name and phone number to: [manager@milestonecommunity.com](mailto:manager@milestonecommunity.com). Your contact information will be sent to a swim team representative, who will then contact you. Space may be limited.
